Dear Dave:

As I reflect back on the 2007 Henrico County Open, there is but one word that expresses my feeling for the event – "FANTASTIC". I know that there is an awful lot of work that goes into the activities in order to make such an event possible. The daily activities, the time and the operation were flawless. This speaks so very well of you and your organization in preparing the event which carries our most favorite name – the Henrico County Open.

I wish to sincerely professionally and personally thank you for the job that you have just completed concerning the Henrico County Open. While the golf tournament was an extreme success, you should also be proud of how the name Henrico County was put forth in the community and the nation.

Thanks so very much for your tireless efforts and your commitment towards a successful tournament.

Sincerely,

A handwritten signature in black ink, appearing to read "Virgil R. Hazelett".
